Principal's Report

Primary Science Day

The primary students were treated to an entertaining and educational day full of Science last Friday. Congratulations to Mr Hartley on his excellent organisation. The feedback from our visiting schools was full of praise for the day.

A big thankyou to all the staff who helped and especially our Year 7/8 students who did such a good job with the junior students.

Swim School

Our 2014 Intensive Swimming commences next Monday. Please make sure all students come prepared with all their belongings, including towels, clearly labelled with their name.

Book Fair 2014

Thankyou to all the parents and students who generously supported our Book Fair again this year. Our library staff are now busy choosing the beautiful new books we are able to receive for our library.

Year 7 Transition Day

Our Year 6 students along with some prospective new enrolments spent an interesting and informative day last Thursday learning all about what will be required of them in Secondary School. Thankyou to Ms Murdoch for organising this.

Year 12 Graduation

Congratulations to Ms Murdoch, Mr Whytcross and the RAP team for the organisation involved in the Year 12 Graduation Dinner. It was an enjoyable evening celebrated with friends and in pleasant surroundings.

I was proud of our students Josh, Kurt and Sally who looked amazing and stood out in the crowd as confident adults.

In Mrs Luppi's speech she compared each student to a 'Mr Men' character and proved that the teachers do get to know all the students and that the ACCESS students are one big family.

Finally the DUX for 2013 was announced. That accolade went to Charlotte Fletcher from Lockhart, who responded with an inspiring and passionate speech about her journey through the ACCESS program. Once again, a big thankyou must go to all our dedicated teachers and support staff.

Have a good week.

Intensive Swimming Program

Next Monday, November 24, we begin our swimming / life saving program for 2014. It will take 2 weeks, depending on weather and student progress. All the students have been placed into a level, based on their swimming ability and last year's results. The schedule is as follows :-

Primary: 2/3/4 and 4/5/6 class 9.15 to 10.30.

Infants: K/1/2 class - After recess till lunch

Secondary: After lunch

Year 9 and 10 students will also be assisting with the Infants and Primary groups for this time, meaning no normal lessons for them.

It is very important students come to school prepared for swimming. They will need swimmers, rashie and towel, all clearly labelled with their name and \$2 for pool entry if they don't have a season ticket. Don't presume swimming won't occur because of weather, come prepared and a decision will be made on the day.

If you have ANY concerns, please contact me at school.

White Ribbon

White Ribbon Day

Friday 25th November.

Barellan Central School is pleased to add their name to a growing list of schools in the community in support of White Ribbon Australia.

What is White Ribbon Australia?

It is a member of the world's largest movement of men and boys working to end men's violence against women and girls, promote gender equity, healthy relationships and a new vision of masculinity. As part of this global movement White Ribbon Australia aims to create an Australian society in which all women can live in safety, free from violence and abuse.

To show our support for this important cause we will be giving all the students and staff a white ribbon to wear on Friday. If there are any questions please direct them to us by making contact with the school on 69639202.

4/5/6 News

Well, it sounds like everyone had a great day on Friday with the Combined Schools Science Day. There were some great photos on the school's facebook page. This week students will be working on their entry for the BCS Writing Competition. I made a bit of mistake in last weeks news. I mentioned that Mrs McDermott was starting on Friday, but in fact she will be starting this Friday (I got my weeks mixed up, sorry!). We welcome Mrs McDermott to the class and hope she enjoys her time with us. I will be in Wagga this Wednesday and Thursday at Focus on Reading Training. Mrs Moore will be in to teach the class on these days. The Mobile Library will be here this Tuesday, so please make sure you remember to bring in your books!

K/1/2 Happenings

Congratulations to all students on their fantastic efforts towards their assessments last week. We completed the last one today.

K/1/2 would like to say a big thank you to Mr Hartley for organising a great science day. We had lots of fun doing experiments. Students also took home a science book which included the experiments. I hope parents and carers all got to these great resources.

Swim school will be starting in week 8 and run for 2 weeks. Students will require a rash shirt to wear during these lessons. It may be a good idea to start looking for these items in case students require new items.

In week 5 K/1/2 completed our fruit sticker chart. Well done to those students who bring fruit everyday.

Narrandera Shire Australia Day Award Category Guidelines

Awards

Citizen of the Year

Criteria: For notable service to the community over a number of years

Young Citizen of the Year (aged between 16 and 24)

Criteria: For notable service to the community during the preceding year

Senior Citizen of the Year

Criteria: For notable service to the community over a number of years
(A nomination for this category will not prevent consideration for the Citizen of the Year nomination)

Organisation of the Year

Criteria: For outstanding service/achievement by an organisation (business, group, club or committee) to the community of the Narrandera Shire in the preceding year

Applications may be rejected if it is deemed that the information provided is inadequate, irrelevant or in direct contrast to the spirit of the Australia Day Awards.

Nominations will be forwarded to the Australia Day Planning Committee consisting of a panel of various representatives widely selected from the community who will assess the suitability and merits of each of the applications and make recommendations to Council on suggested recipients.

Council will then make the final decision on award recipients based on the information provided by the selection panel.

Award Winners are to be kept confidential until the presentation of Australia Day. All accepted nominees shall be invited to attend the official function with unsuccessful recipients receiving a token gift on behalf of the Shire.

Recipients of these awards can be Narrandera Shire residents and not necessarily Australian residents.

"GROWING OUR CLUB" – lets become our own

Major Sponsor

NGR – National Grower Register

Barellan United Football Club now hold a NGR card and are asking growers to donate grain to support their local footy club.

Any growers who wish to donate grain to Barellan United Football Club are asked to warehouse the grain, HOWEVER, this is optional and any donation will be accepted and appreciated. If you wish to donate, simply nominate the amount of grain while at the sampling stand.

The NGR card will be kept at the Barellan sample stand.

If a substantial amount is raised the footy club will recognize The Barellan & District Grain Growers as a major sponsor in the form of a logo displayed on the footy guernsey's.
