## Principal's Report

### Welcome Mrs Flagg

Today we welcome Mrs Susan Flagg to BCS.

Mrs Flagg is taking our Year 4/5 class for the rest of this year. The students are excited to be in her class!

### Half Yearly Examinations

Examinations begin today for our Years 7-10 students. Good luck – just do your best!

### Athletics Carnival

Good luck to all students participating in the BCS Athletics Carnival this Friday. Thanks to Mrs Tubb, Mrs Conlan and their happy helpers for setting everything up.

### School Photos

School Photos are this Wednesday. Please ensure that students are in full winter uniform.

Some pieces are available to borrow from the office if needed.

Please contact us tomorrow if you think you may need something. Captains and SRC members are reminded to wear their badges.

### Update us!

Don't forget to let us know if you have changed your mobile/home phone number, have changed your address or there are any changes to your child/ren's medical information. These details help us to get in touch with you to help your child/ren.

### School Uniforms

A reminder to parents and students to make sure all articles of school uniform are clearly marked with your name.

It is very easy for jumpers and jackets to be picked up mistakenly, having your name on them means they can be returned quickly.

### Head Lice

There have been a couple of reports of head lice in our school community. Parents are asked to check their child's head and if detected treat with an appropriate Head Lice treatment.

## Primary Assembly & Morning Tea Invitation

Parents and Caregivers are invited to the Term 2 Primary Assembly on Friday, June 3, commencing at 10.00am. There will be items from all primary classes.

We will also be hosting a welcome morning tea, to allow parents to meet our new Primary staff member, Susan Flagg. We hope to see many parents and community members on the day.

### P&C Supporting Our School

#### Jacket Order Update

The P&C has been advised by the supplier of our school jackets, that due to a fault in their machinery, jacket delivery will be delayed.

If you have ordered a jacket they should be here in two weeks time. Christie will let students know as soon as they arrive.

There are a few of the old yellow & brown style jackets in the office if any students would like to borrow one while that are waiting for the new jackets to come.

The P&C apologises, but these circumstances are beyond our control.

Regards

## K/1 Class News

School photos are this Wednesday. Students are required to wear full winter school uniform. We are not doing any sports that day.

This Thursday K/1 will be participating in an AFL clinic. Students will need to wear their sports uniform.

This Friday BCS will be having our Athletics carnival. K/1 will follow our normal routine in the morning and will walk to the town oval at 10.45am to eat recess. After recess and a short break we will be doing running races followed by field and novelty events. It would be wonderful to see as many parents there as possible for a great day of fun. K/1 will return to school after lunch.

A reminder about school requirements, if you haven't yet sent in your box of tissues for this term could you please do so. With the cold season upon us it will be important that students are using strategies to help minimise the spread of germs. Your assistance in helping to keep the students at BCS healthy is greatly appreciated.

Remember that students are encouraged to bring in a piece of fruit for Crunch and Sip and a water bottle.

Below is the new News timetable.

### Problem of the week

There are 76 guests at a party. 27 are adults and the rest are children.  
How many children at the party?

National Family Reading Month is designed to get more kids reading with their families. Family reading time is one of the BEST ways to grow a child's interest in the wonderful world of books.

## The Week in Sport...

What a busy week!! On Monday last week we had Charlotte Rainbird and Jane Haeusler represent BCS at the Riverina Netball trials held in Wagga. Both girls played extremely well, with Charlotte being named a member of this years team. Charlotte will now train with this team and represent the Riverina region at the State Netball Championships that will be held in Albury early next term.

The Wagga Schools Netball Cup was also held last week, with Charlotte and Annabelle Geltch being members of the JRAP team who contested this cup. The girls had a fantastic day, coming away with 5 wins and a draw which now ensures they contest the next level of this competition to be held in August. Well done girls!!

The RAP Open girls will have netball trials this Tuesday, to be held in Barellan. Some 20+ girls from the various RAP schools will contest these trials and determine a RAP team to contest the State Knockout series for this year. Best of luck to our BCS girls.

A big congratulations to Jessie McDermott, who was chosen to be a member of the U/17 Farrar Netball team who contested a representative game on the weekend.

On Tuesday 8 secondary students attended the Zone Secondary Cross Country carnival that was held in Ardlethan. On a notoriously difficult track we had some exceptional results. Paige Kenny and Ebony Praestiin finished 1<sup>st</sup> and 2<sup>nd</sup> in the 13 years girls race. Norm Haeusler and Jake Bouchier also finished 1<sup>st</sup> and 2<sup>nd</sup> in the 13 years boys race. Byron Tarlinton beat all opposition in the 14 years boys event, as did Michael Conlan in the 15 years boys category.

Lisa Ohlsen rounded out of podium finishers with a 3<sup>rd</sup> place in the 16 years girls event. Brad Geltch contested the 16 years boys race and finished a creditable 6<sup>th</sup> place. All runners with a top 4 finish qualified for the Riverina carnival to be held in Gundagi later this term. A fantastic achievement for a small contingency!!

On Wednesday (with no notice and some last minute juggling with transport), we sent 5 boys to participate in the Mortimer Shield Gala Day held in Leeton. Wyatt Lees, Blake Stevenson, Cooper Spowart, Will Ellis and Abe Forbutt were extremely enthusiastic and were happy to make up the numbers in any team. The first game, the organisers made the mistake of keeping our boys all together in the one team, which ended in a white wash and the Barellan boys scoring all of the points in that particular game, for that team!! The boys were then split up for the other games but still played exceptional football. The boys ended the day with Will with 4 tries, Cooper scoring 2, Blake and Wyatt with 1 each and Abe with 2 conversions. A great day boys and a huge thankyou to the parents who dropped everything at the last minute to get the boys to Leeton!

Our school Athletics carnival is scheduled for this Friday, so if 15-20ml of rain!! We will see what the weather gods send us, and make a decision on the day. If needed we will re-schedule for the following week.

**Cheers**

**Mrs Conlan**

# MANAGING YOUR REPUTATION

Follow us: [@ThinkUKnow\\_Aus](https://twitter.com/ThinkUKnow_Aus) [facebook.com/ThinkUKnowAustralia](https://facebook.com/ThinkUKnowAustralia)

When you send something digitally, either via your mobile phone or over the internet, you lose control over who sees it and what they do with it. You may never be able to permanently delete the image or text, so it is important that before you send something, think about what you are sending and where it might end up.

## Do you know who you are sending it to?

You might be tricked into thinking you are communicating with a friend, but can you ever be sure that it is only them holding the phone or looking at the screen?

## Do you know what they will do with it?

Even if you are sure who is on the other end, can you really trust them? If your relationship turns sour, can you be sure that they won't use that text or image against you?

## Do you want it to be around forever?

Once you have shared something in a digital format, it can easily be distributed to others and posted on the internet. Distribution might start with just your school, but it can quickly spread to your community and beyond. Once you put something on the internet, it can never be permanently deleted. Think about these things before you ever share something digitally.

## How will it affect your future?

A future employer, university or sporting organisation might research you online. What they find will influence their decision on whether to employ you.

Some pictures should never be shared. These include images in little or no clothing, or in sexualised poses.

## What should you do before it happens to you?

Think twice before communicating or agreeing to share this type of material with someone, especially using technology to do so.

## Have you been part of the problem?

By storing or helping to distribute this type of material, you are contributing to this serious issue. Distributing these images maliciously is viewed even more seriously.

## What should you do if it has already occurred?

If you have received this type of material, delete it without forwarding it. Tell the person who sent it to you that you are not interested in being a part of this. If you know who the person in the image or communication is, let them know what is going on. They wouldn't want to be the last to know.

If you have created this material, delete it and don't share it. If you have sent it to someone, ask them to delete it and make sure they do.

If someone has created this material of you without your permission, you need to tell a trusted adult and they can assist you in reporting it to law enforcement. This is a serious matter and should not be ignored.

## So what does the law say?

Images, text or representations of someone under the age of 18 in little or no clothing, a sexual pose or engaged in a sexual act may be considered child pornography.

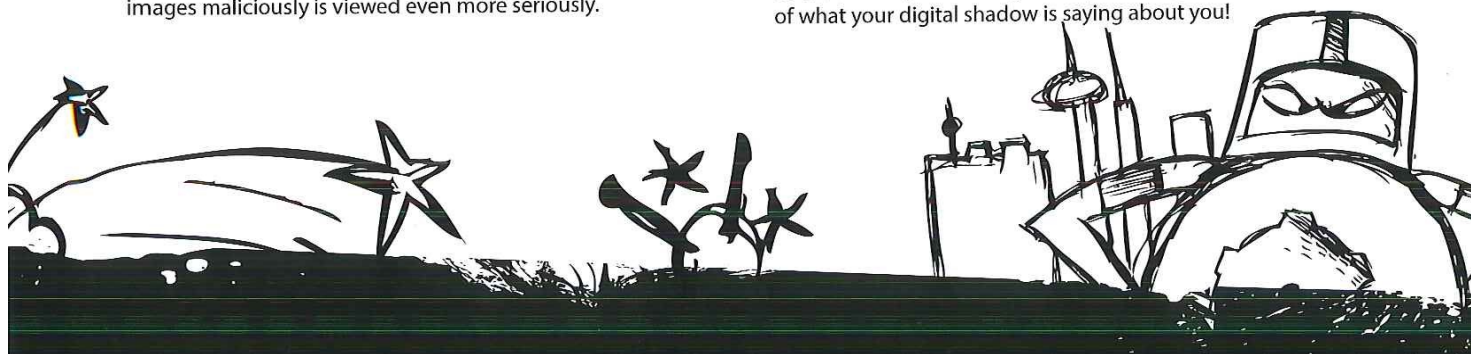

Even if you create and share this content yourself you can still be breaking the law!

Young people in Australia and overseas have been charged under child pornography laws for engaging in this type of behaviour.

## So what can you do about it?

Type your name into a search engine and see what's out there about you. Regularly search for your name, username, email address and phone number in online search engines such as Google, Bing or Yahoo!. You can also use meta search engines such as [www.pipl.com](http://www.pipl.com) for a deeper search. If you don't like what is out there, take ownership and have it removed or balance it with positive content.

Your online reputation is your responsibility so take control of what your digital shadow is saying about you!

GRIFFITH REGIONAL THEATRE

# The Peasant Prince

**TUESDAY 31 MAY 10AM & 12.30PM**

Li Cunxin's iconic autobiography *Mao's Last Dancer* was first published as a children's picture book, *The Peasant Prince*. Li, a 10-year old peasant boy, is plucked from his village in rural China and sent to a ballet academy in the big city. Li's courage, resilience and unwavering hope for a better life makes *The Peasant Prince* a story to ignite our own aspirations to be the best person we can be.

This is a perfect production to explore intercultural experiences, texts from other countries and times and stories exploring peoples and cultures of Asia, and curriculum links to English, The Arts and Social Sciences.

Audiences will be captivated by this inspiring story. Definitely not to be missed!
