The Tell Them From Me student feedback survey

I am delighted that this term, our school, like many other public schools in the state, will participate in a Department of Education initiative: the *Tell Them From Me* student feedback survey. The survey aims to help improve student learning outcomes and measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices.

More information is provided in the attached note.

Life Education (Healthy Harold) Van Visit

The Life Education Van will be making their annual visit on Tuesday 23rd and Wednesday 24th August.

There is also information regarding merchandise students can purchase from the van on the day. This money should not be included with permission note and entry fee.

All students in Years K-12 are invited to dress as their favourite book character, for the cost of a gold coin donation.

K-6 students will be having a character parade at 11.30am in the canteen area. Parents and community members are welcome to attend and are invited to bring their lunch and mingle with the 'characters' after the parade.

Senior primary students will be running a **Book Swap** after the Book Parade. This is a fantastic way to celebrate reading locally and raise much-needed funds to buy books for remote indigenous communities. All you have to do is swap one of your favourite books for someone else's.

**Tell Them From Me student survey:
Information and consent form for
parents and carers**

8/08/2016

Dear Parents and Carers

This term, our school is taking part in the *Tell Them From Me* student survey. The survey will provide us with valuable feedback on what our students think about school life, how engaged they are with school and the different ways that teachers interact with them. Schools in Australia and around the world have used the *Tell Them From Me* survey to help them improve. The survey is completed on-line and is run by an independent research company, **The Learning Bar**, which specialises in school-based surveys.

The survey will only be available to **students in Year 4 to Year 12.**

Staff in schools will **not** be able to identify individual students from their responses. To ensure confidentiality, participating students will receive a unique username and password. Where fewer than five students respond to a question, the results will be suppressed. The survey typically takes 30 minutes or less to complete and will be administered by the school during normal school hours. Once the surveys are completed by students, reports are prepared and in most cases are available to schools within three business days.

This survey will help your school better understand how to improve student wellbeing and engagement. It will help the school identify what works to improve student outcomes.

Participating in the survey is entirely voluntary. Your child will not take part if either you or your child do not wish. If, during the survey, your child is uncomfortable, he/she can choose to stop the survey at any time. The majority of questions in the survey can be skipped.

If you **do not want your child to take part** in the survey, please complete the attached form and return it to your child's school by 17/08/2016

More information about the survey and the research is available in English on the CESE website: <http://surveys.cese.nsw.gov.au/information-for-parents>

HAROLD MERCHANDISE

Dear Parents,

Life Education NSW is a not for profit community-based organisation that relies heavily on fundraising within the community to assist in meeting the shortfall left after receiving minimal assistance from Government funding.

The sale of Harold merchandise to the children whilst the program is visiting each school supports the fundraising activities of local committees and all proceeds support Life Education within each local area. These products help to remind children about the messages delivered to them during their Life Education session and have either a picture of Harold or the Life Education logo on them.

The educator will provide the opportunity for children to purchase these products during the school visit. Please provide the **correct money** in an envelope with the item written on the face of the envelope along with your child's name and class. This allows the educator to process orders efficiently and accurately. Orders will be returned by the conclusion of the visit.

FAMILY CHALLENGE

Dear Parents and Carers,

Your child's school is taking part in Fruit & Veg Month 2016. The theme of this year's program is 'Vegetables are Funky'!

Did you know that only 5.4% of Australian children eat the recommended serves of vegetables? Primary school aged children need around 5 serves of vegetables a day (1 serve = 1 cup of raw salad vegetables or ½ cup of cooked or canned vegetables).

Unfortunately, simply telling your kids to eat more vegetables because they are healthy doesn't tend to work. 'Vegetables are Funky' is all about encouraging kids to eat more vegetables through positive and fun activities.

**To get the whole family into the spirit of the month,
we challenge you to.... veg it to the MAX!**

How?

- Take one of your regular family recipes. 'Max the Veg' by increasing the amount and variety of vegetables in the recipe.
- Work together as a family to create your dish. Involving the kids in the planning, preparation and cooking means they are more likely to enjoy it. To get in the mood, listen to selected tracks from The Vegetable Plot for free – www.thevegetableplot.com.au
- Take a photo of the dish, fill out the entry form and send it in! Use the hardcopy form attached or enter online at www.fruitandvegmonth.com.au

What?

There are some great prizes to be won:

1st prize | 2 to be won

\$250 cash

2nd prize | 10 to be won

\$100 Harris Farm Markets gift cards

3rd prize | 20 to be won

Season One CD by The Vegetable Plot

When?

All competition entries must be received by 5pm, Friday 14 October. Winners will be notified by Friday 4 November.

Full competition details can be found at: www.fruitandvegmonth.com.au

Please note that by entering this competition you are permitting Healthy Kids to use your recipe and photo in both hard copy publications and online.

Please write clearly. Illegible entries will not be able to be judged.
