Principal's Report

Get Skipping

The whole school will be participating in a Jump Rope For Heart 'jump off' in week 9. Primary students have been busy practising their skills, with the help of a few secondary students. It will be a big day, so get ready!

Year 11 Examinations

Year 11 students will begin their final exams for their Preliminary courses next week. Prepare well!

Spelling Mastery Program

Our primary students have been working hard with their new spelling program. The Spelling Mastery program is new at BCS and involves short, intense sessions of spelling each day. Students are having success already, and are enjoying the new program.

RAP Study Day @ ACS

Tomorrow our senior students head to Ardlethan Central School to participate in the all-important face to face study days that the Access Partnership holds each term. This will be a great opportunity for the students to get feedback as they head into their final exams.

Coughs and Colds

There are lots of nasty bugs still around. If your child has a cough or cold, get them checked out by your doctor to ensure there is nothing more serious going on. Cases of whooping cough (although uncommon) are still popping up around us, so it's better to be safe than sorry.

For safety's sake, if your child seems unwell you should always keep them home from school and seek medical advice.

Use the website here as a guide for when they should return to school if your kids have been sick: <http://www.schoolatoz.nsw.edu.au/wellbeing/health/too-sick-to-go-to-school>

New Parent Resource

Today the Office of the Children's eSafety Commissioner formally launched its online resource hub for parents: *iParent*. This online portal provides guidance and strategies for parents to help keep their young people safe online.

Here, parents can learn about the digital environment and keep updated on their children's technology use, and find guidance for using safety settings on your family's web-connected devices, tips for choosing movies and games and strategies for keeping young people safe online.

Coming Our Way!

Bringing the Solar System to our School

Our Term 3 Primary Performance is part comedy routine, part science lecture. This fast paced commentary with plenty of laughs and audience involvement, is full of fascinating facts about Earth and the Solar System in which we orbit.

'Great Galaxies' will be visiting our school for students in Years K-6 on Wednesday, September 14.

The cost of the performance is \$5.00 per student.

Please return the permission note and payment to school by Monday, September 12.

'Great Galaxies is a combination of fun, facts and theories about our Earth, past and present and its place in the Solar System.'

K/1 Class News

I hope all Fathers had a lovely Father's day. Tuesday the 13th of September is Roald Dahl day. We will be celebrating this at school. A note went home explaining that we will have a dress up day, primary assembly and trivia. If your child has not received the note please encourage them to ask for one or send me an email or message on ClassDojo and I will send one home. Parents are invited to attend the celebrations that begin at 11.15am.

On Friday 16 September, both primary and secondary classes will be participating in a "Marathon Skip-off" where students will take turns performing continuous skipping activities throughout the day.

A reminder about school requirements, if you haven't yet sent in your box of tissues for this term could you please do so. With the cold season upon us it will be important that students are using strategies to help minimise the spread of germs. Your assistance in helping to keep the students at BCS healthy is greatly appreciated.

Remember that students are encouraged to bring in a piece of fruit for Crunch and Sip and a water bottle.

Just a reminder about school uniform. Students need to be in the correct school uniform, if they are out of uniform please send in a note with your child. Please make sure all items of clothing are labelled.

I hope you all have a great week.

This Week

Tuesday	Library, please remember your library bag.
---------	--

Wednesday	Sport day, please wear your sports uniform.

5/6 Class Happenings

Tuesday the 13th of September is Roald Dahl day. We will be celebrating this at school. A note has been sent home explaining that we will have a dress up day, primary assembly and trivia. Parents are invited to attend the celebrations that begin at 11.15am.

We have an in school performance coming next Wednesday the 14th of September called "Great Galaxies". Permission notes and money must be returned by this Friday.

If your child has not brought in a box of tissues for the term can you please send one in. Please also remember that if your child is unwell, consider keeping them at home to prevent the spread of the sickness and other students and staff becoming ill. Challenge your family with the germ trivia attached to this Gazette.

As the weather looks to be warming up please ensure students have a school uniform hat to wear at school and are bringing a water bottle each day.

This fortnights homework is due back this Friday.

1/2/3 CLASS NEWS

Leaders: Alannah and Levi

Congratulations to Darcie and Anika on successfully getting their pen licenses. The Neat Police are still on patrol this week and will be looking for students from Year 3 who shows consistently neat handwriting.

Tuesday, 13th September, is Roald Dahl's 100th birthday. To celebrate the children are encouraged to come dressed as one of his many book characters. This does not mean a visit to the shops. Many of his characters should be easily done with items that you already have at home. A note has gone home explaining the day's activities so if you did not receive one please contact the school by phone, email or dojo and one will be sent home. The festivities begin at 11:15am and parents are invited to attend.

Too sick for school?

Generally if your child feels unwell, keep them home from school and consult your doctor. This chart and the information it contains is not intended to take the place of a consultation with your doctor.

Bronchitis	Symptoms are coughing, a runny nose, sore throat and mild fever. The cough is often dry at first, becoming moist after a couple of days. There may be a slight wheeze and shortness of breath. A higher fever (typically above 39°C) may indicate pneumonia.	 ... until they are feeling better. Antibiotics may be needed.
Chickenpox (Varicella)	Slight fever, runny nose, and a rash that begins as raised pink spots that blister and scab.	 ... for 5 days from the onset of the rash and the blisters have dried.
Conjunctivitis	The eye feels 'scratchy', is red and may water. Lids may stick together on waking.	 ... while there is discharge from the eye unless a doctor has diagnosed a non-infectious cause.
Diarrhoea (no organism identified)	Two or more consecutive bowel motions that are looser and more frequent than normal and possibly stomach cramps.	 ... for at least 24 hours after diarrhoea stops.
Fever	A temperature of 38.5°C or more in older infants and children.	 ... until temperature is normal.
Gastroenteritis	A combination of frequent loose or watery stools (diarrhoea), vomiting, fever, stomach cramps, headaches.	 ... for at least 24 hours after diarrhoea and/or vomiting stops.
German measles (Rubella)	Often mild or no symptoms: mild fever, runny nose, swollen nodes, pink blotchy rash that lasts a short time.	 ... for at least 4 days after the rash appears.
Glandular Fever (Mononucleosis, EBV infection)	Symptoms include fever, headache, sore throat, tiredness, swollen nodes.	 ... unless they're feeling unwell.
Hand, Foot and Mouth Disease (HFMD)	Generally a mild illness caused by a virus, perhaps with a fever, blisters around the mouth, on the hands and feet, and perhaps the nappy area in babies.	 ... until all blisters have dried.
Hayfever (Allergic rhinitis) caused by allergy to pollen (from grasses, flowers and trees), dust mites, animal fur or hair, mould spores, cigarette smoke	Sneezing, a blocked or runny nose (rhinitis), itchy eyes, nose and throat, headaches.	 ... unless they feel unwell or are taking a medication which makes them sleepy.
Head lice or nits* (Pediculosis)	Itchy scalp, white specks stuck near the base of the hairs; lice may be found on the scalp.	 ... while continuing to treat head lice each night. Tell the school.

Hepatitis A	Often none in young children; sudden onset of fever, loss of appetite, nausea, vomiting, jaundice (yellowing of skin and eyes), dark urine, pale stools.	 ... for 2 weeks after first symptoms (or 1 week after onset of jaundice). Contact your doctor before returning to school.
Hepatitis B	Often no symptoms in young children. When they do occur, they can include fever, loss of appetite, nausea, vomiting, jaundice (yellowing of skin and eyes), dark urine.	 ... if they have symptoms. Contact your doctor before returning to school.  ... if they have a chronic infection (not the first outbreak) and no symptoms.
Impetigo (School sores)	Small red spots change into blisters that fill up with pus and become crusted; usually on the face, hands or scalp.	 ... until antibiotic treatment starts. Sores should be covered with watertight dressings.
Influenza	Sudden onset fever, runny nose, sore throat, cough, muscle aches and headaches.	 ... until well.
Measles	Fever, tiredness, runny nose, cough and sore red eyes for a few days followed by a red blotchy rash that starts on the face and spreads down the body and lasts 4 to 7 days.	 ... for at least 4 days after the rash appears.
Meningococcal Disease	Sudden onset of fever and a combination of headache, neck, stiffness, nausea, vomiting, drowsiness or rash.	Seek medical attention immediately. Patient will need hospital treatment. Close contacts receive antibiotics.
Molluscum Contagiosum	Multiple small lumps (2–5mm) on the skin that are smooth, firm and round, with dimples in the middle. In children, occur mostly on the face, trunk, upper arms and legs. Symptoms can last 6 months to 2 years.	
Mumps	Fever, swollen and tender glands around the jaw.	 ... for 9 days after onset of swelling.
Ringworm* (tinea corporis)	Small scaly patch on the skin surrounded by a pink ring.	 ... for 24 hours after fungal treatment has begun.
Runny nose or common cold		 ... unless there are other symptoms such as fever, sore throat, cough, rash or headache. Check with school.
Scabies*	Itchy skin, worse at night. Worse around wrists, armpits, buttocks, groin and between fingers and toes.	 ... until 24 hours after treatment has begun.
Shigella	Diarrhoea (which may contain blood, mucus and pus), fever, stomach cramps, nausea and vomiting.	 ... until there has not been a loose bowel motion for 24 hours. Antibiotics may be needed.
Slapped Cheek Syndrome (Parvovirus B19 infection, fifth disease, erythema infectiosum)	Mild fever, red cheeks, itchy lace-like rash, and possibly cough, sore throat or runny nose.	 ... as it is most infectious before the rash appears.
Whooping Cough (Pertussis)	Starts with a running nose, followed by persistent cough that comes in bouts. Bouts maybe followed by vomiting and a whooping sound as the child gasps for air.	 ... until the first 5 days of an antibiotic course has been completed. Unimmunised siblings may need to stay home too until treated with an antibiotic.
Worms (Threadworms, pinworms)	The main sign of threadworms is an itchy bottom. Sometimes children feel 'out of sorts' and do not want to eat much. They may also have trouble sleeping, due to itching at night.	 ... and tell the school as other parents will need to know to check their kids.

*It is important that the rest of the family is checked for head lice, scabies and ringworm

**Barellan Clay Target Club
Open Day
Sunday 11th of September
10.30 a.m.**

Barellan Clay Target Club will be conducting an open day to enable people over 12 years of age to come & try clay target shooting without having a shooter's license.

Juniors (12 to 18 years) must have parent/guardian consent on forms provided on the day. Parent/guardian must also supply photo ID ie; driver's or shooter's license.

Club Coach will be in attendance and instruct on SAFE GUN HANDLING and coaching on shooting clay targets. A BBQ lunch will be available around noon, followed by our regular shoot in the afternoon which anyone from the coaching is welcome to participate in. Guns and cartridges available.

This is an excellent opportunity to try clay target shooting without having a shooter's license and be shown safe gun handling techniques.

Barellan Clydie Weekend

*To the Barellan and
District Community*

Our Good Old Days weekend is fast approaching on October 1st and 2nd.

This weekend showcases Barellan with 5000+ visitors to our town, many staying several days, spending money all over town and visiting the area.

This major event is getting bigger every year and our hard working committee is finding it harder and harder to cater for the exploding numbers.

Most of the visitors have never been to Barellan before, what they see is what they say, so we are asking for your help. We need the whole town to come on board, anything you are able to do would be really appreciated.

We need BBQ cooks, servers (many), bar people, putting up the marquee, transporting tables & chairs, putting signs out, erecting shades and much more, not to mention the dreaded pack up Sunday and Monday. If you have any questions about the weekend please don't hesitate to call; Norma 0447 736 856, Bruce 0427 630 188, Graham 0428 505 547, Paul 0428 631 673, Lesley 0409 900 022 & Heather 0429 639 371

If you are willing to go on a roster for BBQ or Bar ring Heather or Lesley.

SCHOOL HOLIDAY WORKSHOPS WITH

School holiday workshops with Monkey Baa Theatre Company and Griffith Regional Theatre

Come in and TAKE THE STAGE at the GRT with Monkey Baa! One of Australia's leading theatre companies for young people, Monkey Baa has reached more than 1.1 million young Australians through productions and workshops. Recently our production of 'The Peasant Prince' travelled to Griffith, as well as 37 other venues across Australia.

In this unique workshop designed especially for Griffith, a Monkey Baa tutor will lead young people in the following:

- Drama games, activities and super fun exercises
- Stage craft: lighting, sound and production design
- Writing scripts
- Creating new work
- Performing for others

The workshop will culminate in a short presentation for friends and family. Monkey Baa can't WAIT to visit Griffith to run this program; Griffith is such a wonderful place for us to visit and we have such exciting activities planned for you!
