K/1 Class News

Today we had the opportunity for 7/8 students to read with us. We were very excited to get to show off our reading and work with 7/8 students.

Tomorrow is Roald Dahl day. We will be celebrating this at school. A note went home explaining that we will have a dress up day, primary assembly and trivia. Parents are invited to attend the celebrations that begin at 11.15am.

On Wednesday 14 September K/1 will be attending a show called "Great Galaxies." If you haven't returned the permission note or money please do so asap.

On Friday 16 September, both primary and secondary classes will be participating in a "Marathon Skip-off" where students will take turns performing continuous skipping activities throughout the day.

A reminder about school requirements, if you haven't yet sent in your box of tissues for this term could you please do so. With the cold season upon us it will be important that students are using strategies to help minimise the spread of germs. Your assistance in helping to keep the students at BCS healthy is greatly appreciated. Remember that students are encouraged to bring in a piece of fruit for Crunch and Sip and a water bottle.

Just a reminder about school uniform. Students need to be in the correct school uniform, if they are out of uniform please send in a note with your child. Please make sure all items of clothing are labelled.

I hope you all have a great week.

This Week

Tuesday	Library, please remember your library bag.
---------	--

Wednesday	Sport day, please wear your sports uniform.

5/6 Class Happenings

Tomorrow, Tuesday the 13th of September is Roald Dahl day. We will be celebrating this at school. A note has been sent home explaining that we will have a dress up day. If students have not organised a costume, we have made BFG ears at school that they can wear. Parents are invited to the short assembly being held at 11.15am. We will then have a trivia session in the Library. Thanks Mrs Flagg for your organisation of the Trivia and Mrs Kenny for helping with this also.

We have an in school performance coming to BCS this Wednesday the 14th of September called "Great Galaxies". Permission notes should have been returned last Friday. If you have yet to return the note and would like to give permission for your child to attend please contact the school tomorrow morning.

Next Monday, 19th of September, 1/2/3, 4/5 and 5/6 will be attending a LIVE stream of Morris Gleitzman in conversation with Yvette Poshoglian from the NSW Premier's Reading Challenge to discuss his brand new book, how he writes, and what he loves to read. We are lucky to have this type of opportunity without a cost and without having to leave the school grounds. The opportunities that technology can bring to our lives is amazing.

This Wednesday there is a SRC fun night at BCS for all K-12 students. More information will be in this Gazette.

What a busy term we have had and the end of this term hasn't slowed down either. The Year 12 students have their last day of school on the last day of this term and all parents and community members are invited to come celebrate with them at their farewell assembly on Friday the 23rd of September from 12 noon. **Kellie Hartley**

This Week

Good luck to our Premiers Spelling Bee Champions who will be representing us at East Griffith Public School on Thursday 13th September. They will be spelling off in the Regional Final. All the best of luck to Charlotte, Nace, Clancy and Riley.

1/2/3 CLASS NEWS

Leaders: Bianca and Connor

We have a busy week at school this week!

Tuesday, 13th September, is Roald Dahl's 100th birthday. To celebrate the children are encouraged to come dressed as one of his many book characters. This does not mean a visit to the shops. Many of his characters should be easily done with items that you already have at home. Mrs Flagg has been busy preparing a trivial quiz which looks like it will be lots of fun. The festivities begin at 11:15am and parents are invited to attend.

Wednesday, 14th September, is a performance *Great Galaxies*. Permission note in last week's gazette.

Friday, 15th September, the whole school is participating in Jump Rope for Heart. The students will take turns so that someone is always skipping throughout the day.

Our classroom only has two boxes of tissues left. With so many coughs and colds around, if you haven't already sent in a box of tissues could you please do so?

Could you also send in any unwanted magazines to our classroom please?

Homework

AR: Read nightly.

Mathletics: Aiming for a 1000 points a week. They can earn one certificate a week. Keep going and they will progress from bronze to silver to gold. The children need to be completing the four set activities before looking at the other activities.

Unfinished work: Occasionally your child may be sent home with worksheets that will need to be completed at home.

Mathletics

Silver: Timothy 2112, Darice 2022

Bronze: Ronan 1070, Dakota 1216, Levi 1290, Alannah 3032, Sophie 2355, Brianna 3532, Ashley 2008, Emmalene, 1658, Anika 5636, Bianca 2346, Tom 1856, Taylor 1060, Toby 5190, Connor 1072, Xavier 1498, Bailey 1501

In School Excursion ~

Our lucky Year 1 - 6 students will be joining Morris Gleitzman **LIVE** in conversation with Yvette Poshoglian from the NSW Premier's Reading Challenge to discuss his brand new book, how he writes, and what he loves to read

The in-school event will be on Monday, September 19 and is **FREE** for all Year 1-6 students.

Sport Week 9....

As we near the end of the term, some big sporting events are coming up. The main one is the Primary Riverina Athletics Carnival to be held in Albury this Friday, September 16. I hope all the students have made the most of the extra 2 weeks to get in some good training. Good luck to everyone attending this carnival.

Some of our Secondary girls attended trials for the 14 and under RAP Netball team. All those who went were selected in the squad. Congratulations to Paige Kenny, Sharni Winter, Chelsea Gordon, Lillian Geltch and Kylie Giddings. Isabella Smith is on standby if any girls are unable to participate. The girls were emailed information about the first game, to be played early next term. Well done ladies.

As the weather warms up, be aware that hats and water bottles are essential for Sport and PE so get organised to bring them please.

Mathletics

Congratulations to the following students for receiving Mathletics awards

Week 7: Silver Certificates: Marian Davies

Week 8: Bronze Certificate: Marian Davies

Silver Certificate: Marian Davies; John Noakes

Please encourage your children to complete Mathletics and Reading Eggs tasks daily as these are excellent revision of concepts learnt in class.

Jump Rope for Heart

On Friday 16 September, both primary and secondary classes will be participating in a "Marathon Skip-off" Please register your child's sponsorship online by following the link below.

<http://jumprope.everydayhero.do/jumprope2016/?group=Barellan-Central-School-BARELLAN-NSW-116749> Or by

completing the paper form sent home.

Funds raised go towards research into new treatments and prevention of heart disease.

ALL SPONSORSHIP FORMS NEED TO BE RETURNED TO SCHOOL BY FRIDAY 16 SEPTEMBER.

Primary Riverina Athletics: Good luck to students competing at the Riverina Primary Athletics on Friday. I will be taking the relay teams for a practice run on Monday and Wednesday (weather permitting).

ROALD DAHL DAY

Tuesday 13 September

Celebrating 100 years since the birth of Roald Dahl.

Come dressed as your favourite Roald Dahl character and prepare to share your knowledge of Roald Dahl in the 'Swizzfiggling' Trivia Quiz. There will also be a Primary Assembly @ 11.15am. Be prepared for some 'Phizz-whizzing' fun!

ELECTRICITY SAFETY WEEK:

Last week was Electricity Safety Week. Students across Primary became a "Safety Star" - learning to keep safe around electricity.

This Week

Reminders:

Library Day is Thursday
Sport uniform to be worn on Tuesday and Friday.
AR is on Wednesday and Friday.
Music and trade Centre is Wednesday.

Home Learning

Home Learning tasks for Weeks 7-8 are now due.

Daily reading and Times tables practise are of utmost priority. All students need to practise times tables at home every night until they can recall them instantly. There are lots of fun 'apps' and revision activities that are easily accessible to assist students. Due to the limited number of Homework tasks being completed and returned, there will be no formal homework for the next 2 weeks. Please continue to **read** with your children and **practise times tables daily** - I cannot stress the importance of this!

IMPORTANT DATES TO REMEMBER:

Tuesday 13 September: Roald Dahl Day

Wednesday 14 September: Visiting performance "Great Galaxies" - 9.30am

Friday 16 September: Riverina Primary Athletics

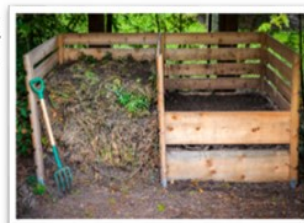

Friday 16 September: Jump Rope for Heart - Jump Off

A Quick Bite ...

Composting for best results!

Composting recycles waste, improves soil, fertilises and protects plants with good organisms and can be the difference in holding water or not.

1. Collect 'green' nitrogenous waste like fruit & vegetable scraps, grass clippings, green leaves and dry 'brown' carbon rich ingredients like leaves, woody twigs, paper and straw
2. The ideal ratio is about 40-60 'brown' waste to 1 'green' waste. Layer dry 'brown' waste, then 'green' waste on top and repeat until your pile is approximately 1 cubic metre. Add enough water so the pile is moist.
3. Turn your compost once a week with a fork to aerate it and generate heat.
4. Depending on the time of year, within 8 weeks you can top up your gardens with beautiful life-giving compost.

Too sick for school?

Generally if your child feels unwell, keep them home from school and consult your doctor. This chart and the information it contains is not intended to take the place of a consultation with your doctor.

Bronchitis	Symptoms are coughing, a runny nose, sore throat and mild fever. The cough is often dry at first, becoming moist after a couple of days. There may be a slight wheeze and shortness of breath. A higher fever (typically above 39°C) may indicate pneumonia.	... until they are feeling better. Antibiotics may be needed.
Chickenpox (Varicella)	Slight fever, runny nose, and a rash that begins as raised pink spots that blister and scab.	... for 5 days from the onset of the rash and the blisters have dried.
Conjunctivitis	The eye feels 'scratchy', is red and may water. Lids may stick together on waking.	... while there is discharge from the eye unless a doctor has diagnosed a non-infectious cause.
Diarrhoea (No organism identified)	Two or more consecutive bowel motions that are looser and more frequent than normal and possibly stomach cramps.	... for at least 24 hours after diarrhoea stops.
Fever	A temperature of 38.5°C or more in older infants and children.	... until temperature is normal.
Gastroenteritis	A combination of frequent loose or watery stools (diarrhoea), vomiting, fever, stomach cramps, headaches.	... for at least 24 hours after diarrhoea and/or vomiting stops.
German measles (Rubella)	Often mild or no symptoms: mild fever, runny nose, swollen nodes, pink blotchy rash that lasts a short time.	... for at least 4 days after the rash appears.
Glandular Fever (Mononucleosis, EBV infection)	Symptoms include fever, headache, sore throat, tiredness, swollen nodes.	... unless they're feeling unwell.
Hand, Foot and Mouth Disease (HFMD)	Generally a mild illness caused by a virus, perhaps with a fever, blisters around the mouth, on the hands and feet, and perhaps the nappy area in babies.	... until all blisters have dried.
Hayfever (Allergic rhinitis) caused by allergy to pollen (from grasses, flowers and trees), dust mites, animal fur or hair, mould spores, cigarette smoke	Sneezing, a blocked or runny nose (rhinitis), itchy eyes, nose and throat, headaches.	... unless they feel unwell or are taking a medication which makes them sleepy.
Head lice or nits* (Pediculosis)	Itchy scalp, white specks stuck near the base of the hairs; lice may be found on the scalp.	... while continuing to treat head lice each night. Tell the school.
Hepatitis A	Often none in young children; sudden onset of fever, loss of appetite, nausea, vomiting, jaundice (yellowing of skin and eyes), dark urine, pale stools.	... for 2 weeks after first symptoms (or 1 week after onset of jaundice). Contact your doctor before returning to school.
Hepatitis B	Often no symptoms in young children. When they do occur, they can include fever, loss of appetite, nausea, vomiting, jaundice (yellowing of skin and eyes), dark urine.	... if they have symptoms. Contact your doctor before returning to school. ... if they have a chronic infection (not the first outbreak) and no symptoms.
Impetigo (School sores)	Small red spots change into blisters that fill up with pus and become crusted; usually on the face, hands or scalp.	... until antibiotic treatment starts. Sores should be covered with watertight dressings.
Influenza	Sudden onset fever, runny nose, sore throat, cough, muscle aches and headaches.	... until well.
Measles	Fever, tiredness, runny nose, cough and sore red eyes for a few days followed by a red blotchy rash that starts on the face and spreads down the body and lasts 4 to 7 days.	... for at least 4 days after the rash appears.
Meningococcal Disease	Sudden onset of fever and a combination of headache, neck, stiffness, nausea, vomiting, drowsiness or rash.	Seek medical attention immediately. Patient will need hospital treatment. Close contacts receive antibiotics.
Molluscum Contagiosum	Multiple small lumps (2–5mm) on the skin that are smooth, firm and round, with dimples in the middle. In children, occur mostly on the face, trunk, upper arms and legs. Symptoms can last 6 months to 2 years.	
Mumps	Fever, swollen and tender glands around the jaw.	... for 9 days after onset of swelling.
Ringworm* (tinea corporis)	Small scaly patch on the skin surrounded by a pink ring.	... for 24 hours after fungal treatment has begun.
Runny nose or common cold		... unless there are other symptoms such as fever, sore throat, cough, rash or headache. Check with school.
Scabies*	Itchy skin, worse at night. Worse around wrists, armpits, buttocks, groin and between fingers and toes.	... until 24 hours after treatment has begun.
Shigella	Diarrhoea (which may contain blood, mucus and pus), fever, stomach cramps, nausea and vomiting.	... until there has not been a loose bowel motion for 24 hours. Antibiotics may be needed.
Slapped Cheek Syndrome (Parvovirus B19 infection, fifth disease, erythema infectiosum)	Mild fever, red cheeks, itchy lace-like rash, and possibly cough, sore throat or runny nose.	... as it is most infectious before the rash appears.
Whooping Cough (Pertussis)	Starts with a running nose, followed by persistent cough that comes in bouts. Bouts maybe followed by vomiting and a whooping sound as the child gasps for air.	... until the first 5 days of an antibiotic course has been completed. Unimmunised siblings may need to stay home too until treated with an antibiotic.
Worms (Threadworms, pinworms)	The main sign of threadworms is an itchy bottom. Sometimes children feel 'out of sorts' and do not want to eat much. They may also have trouble sleeping, due to itching at night.	... and tell the school as other parents will need to know to check their kids.

*It is important that the rest of the family is checked for head lice, scabies and ringworm

Barellan Community Protection Plan Meeting Wednesday 28th September 2016 7:30-8:30pm Returned Soldiers Club Barellan

- Some residents are aware of the risk of bush fire, but few have a Bush Fire Survival Plan.
- Here is an opportunity to have your say and comment on the latest draft Barellan Community Protection Plan.
- Your bush fire safety depends on your plan.

To develop the Community Protection Plan we considered:

- ☐ where you live, what you can expect
- ☐ property preparedness.
- ☐ works the community would like to see.
- ☐ staying informed

If you cannot make the meeting you are still welcome to comment on the plan.

For more information please contact
Mathew Ross on 6966 7800 or Paul Cook 44720600
Come along or visit www.rfs.nsw.gov.au

Applications are open for CWA Education Grants.

Please apply as these are valuable in money terms and are there to assist where needed with educational requirements.

There is a range of grants available for secondary and tertiary education and one for second year in an advanced Hospitality Course.

Direct application queries ASAP to Judy Findlay, phone 6963 9346, as they are to be completed on the appropriate forms.

If you have received a grant in the past they may be applied for again in 3 years from that time.

Closing Date in Barellan is Friday 23rd September 2016.
