Twilight Swimming Carnival 2017

Our swimming carnival will be held **this Thursday February 2nd**, starting at 4.00pm at the Barellan Swimming Pool.

All family and community members are welcome to join us.

We will be in need of a number of parent helpers for time keeping again this year. Our school greatly appreciates this help we receive from the community each year, and thank you all in advance.

Students are allowed to come to school in house colours. Coloured hairspray is **not** permitted in the pool. Coloured zinc can be applied after 3:35pm prior to the start of the carnival.

The swimming carnival is compulsory for all students. Students will spend Thursday at school following the normal timetable. At 3.00pm students will have time to have afternoon tea, then be walked to the swimming pool to commence the carnival.

Kindergarten and Year 1/2 students under 8 years of age, will go to the pool for games at 3.00pm. Students will change into their swimmers at school before going over to the pool. These activities will be conducted in the small, shallow pool.

Students are reminded to bring sun-screen, towel, hat and water. The P&C will have a sausage sizzle on the night for \$2.00 each. Students should bring all other food requirements with them.

Students are not permitted to leave the pool during or after the carnival unless they are with their parent or trusted adult. Parents are expected to make arrangements to have their children collected from the pool if they are unable to do so themselves.

Looking forward to a great afternoon of swimming and fun.

Mr Hesketh

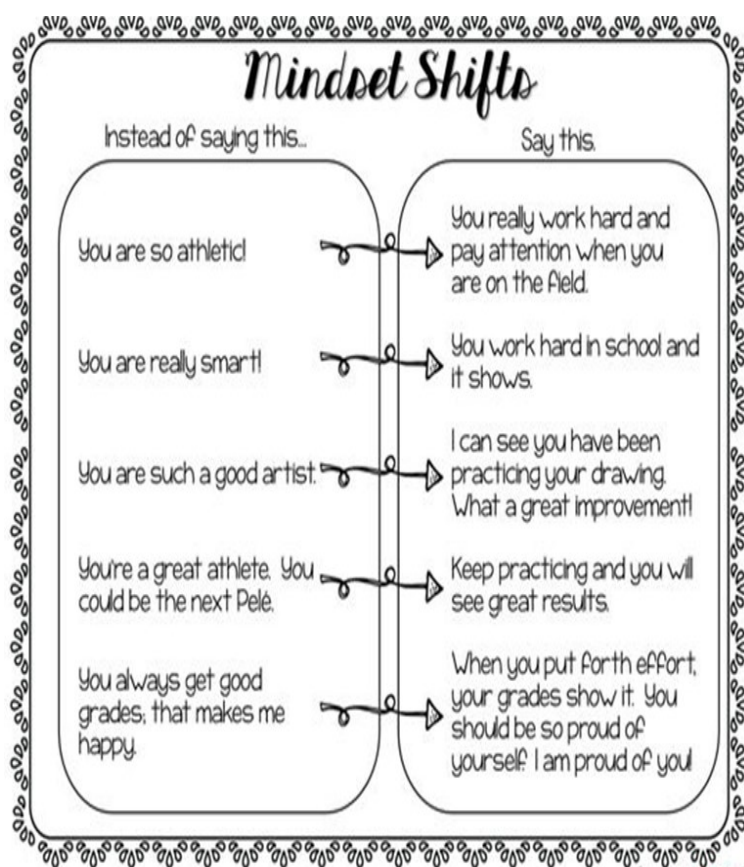

No School Friday

Due to the Twilight Carnival this Thursday, the school will not operate as normal the next day, Friday February 3rd. There will be minimal supervision only. Students are NOT required to attend school on Friday.

Along with today's Gazette students received a number of forms which need to be completed and returned to school ASAP. These forms enable us to update our records for the current school year. 2017

Dear Parents/Guardians,

From time to time the media approach the school requesting co-operation in photographing, filming or interviewing students. The school also seeks to promote the achievements of students by naming them in material provided to the media or by arranging for them to be included in photographs for newspapers, Facebook, the Internet or vision for television. **This permission also applies to the School Gazette and Website.**

If you are willing in 2017 for your child/children to be photographed, filmed, named or interviewed on topics that do not involve current issues or do not offer a personal insight, would you kindly sign the consent form below and return it to the front office.

This consent applies to local newspapers, radio, television, Internet (including Facebook).

☐ You will be contacted specifically if your child/children may be required to offer an opinion on an issue or may be required to discuss something that could give a personal insight into themselves, your family or friends, or the request is from media outside the local area.

The school understands that there can be many reasons why families may prefer that their children do not appear on the media or Internet and respects your wishes. If you sign the consent form, but later wish to withdraw it, please notify the school so we can adjust our records accordingly.

If you wish to discuss consent for your child/children to appear in the media or Internet, please feel free to contact me.
