### P&C Message regarding overdue uniform payments

There are currently several outstanding accounts owing to the P&C. The parents of the students involved have signed a payment plan, which to date has not had repayments made to it.

These parents have been reminded about these outstanding amounts numerous times by the P&C.

Failure to make these payments is causing a large loss to the P&C.

Could these outstanding amounts please be made ASAP. Any questions regarding your account, please contact Jeanette Brumby (Uniform Coordinator)

## Barellan Museum Committee Notice....

The Barellan Museum Committee are seeking the communities interest, ideas and help with running the museum.

As we are getting older we are finding it much harder to keep up the work for the museum, especially as we are dealing with sickness, doctors' appointments and generally finding enough 'go' to keep things running smoothly.

We would like to hear from anyone who may have some interest in helping with the running of the museum, otherwise the doors may have to close, but we do not want this to happen. Some new blood and ideas is badly needed to keep the public interested, and to make the place more interesting.

Trusting there are some people out there who would be interested in some way. It is really a very interesting job once you get into it, and there are a lot of interesting things to do and learn.

Looking forward to some feedback from the community  
Sincerely

The Barellan Museum Committee

## Intention to apply for Year 7 entry to a selective high school in 2019

Dear Parent/Carer

Selective high schools cater for high achieving academically gifted students who may otherwise be without sufficient classmates at their own academic and social level. These schools help gifted and talented students to learn by grouping them with other gifted and talented students, teaching them in specialised ways and providing educational materials at the appropriate level.

Applications for selective high school placement are considered mainly on the basis of the Selective High School Placement Test results and school assessment scores. The Selective High School Placement Test will be held on Thursday 15 March 2018.

If you would like to have your child considered for Year 7 selective high school entry in 2019, you need to apply soon. You will need to apply on the internet using a valid email address (not the student's email address).

Detailed instructions on how to apply online will be available from 10 October 2017 in a printed application information booklet and at <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7>.

The application website opens at <https://education.nsw.gov.au/selective-high-schools-and-opportunity-classes/year-7> on 10 October 2017 and closes on 13 November 2017. You must apply before the closing date.

There are no paper application forms. If you do not have internet access, you could apply at a public library. If you have a disability that prevents you from using a computer, you can contact the Unit for assistance after 10 October 2017.

You must submit only ONE application for each student.

Remember: the tear-off slip below is **not an application** and the school cannot apply on your behalf.

Yours sincerely

Principal

Cut along the dotted line and return the completed slip below to this school by next Friday.

**Note: THIS IS NOT AN APPLICATION FOR ENTRY TO A SELECTIVE HIGH SCHOOL.** This is a notice to your primary school only that you *intend* to apply.

**TO APPLY YOU WILL NEED TO REGISTER AND THEN APPLY THROUGH THE HIGH PERFORMING STUDENTS APPLICATION WEBSITE:**
