What- Should Plastic Bags Be Banned?
Why- To Get Your Opinion and See If It Would Be A
Good Idea.

By Nace Borland

Yes No

Do you agree that plastic bags should be
banned { } { }

Would you bring your own bags from home to
the Barellan General Store to carry your
groceries { } { }

Any further comments:

Thank You for answering my survey

I am Marian Davies and I am doing a presentation on The
War on Waste. I am going to recycle one use bags to make
a dress. Can you send coloured plastics bags to the school
office for me to use by Tuesday 7th
November. Thank you for your help.

On the weekend I decided to create a brand new looking bag out of an old run down tshirt. {A tote a bag.}

A tote bags is a large carrying bag with a handle. They have been made for hundreds of uses and are now available in various
shapes, size, materials, designs etc.

They have evolved from basic canvas bags to elegant and glamorous high end bag.

AUSTRALIA'S PLASTIC BAG PROBLEM

Australia is one of the most wasteful countries. Australia alone throws out 10 million plastic bags. Plastic bags have
been around for 30 years in that time worldwide we've wasted 1 trillion plastic bags!
That's an insane amount and that needs to change NOW!

HOW TO MAKE A TOTE BAG:

First cut sleeves away on the natural line and do the same with the neck line.

Next cut little strips at the bottom and tie it in a double knot with the one behind it.

and your done! It's literally as easy as that and your not wasting and making so much green house gas.

K/1 Class News

We are halfway through Kindergarten Orientation. K/1 has enjoyed spending time getting to know Kindergartens for 2018. The 2018 Kindergartens have enjoyed doing learning like the rest of the class.

A reminder about school requirements, if you haven't yet sent in your box of tissues for this term could you please do so. With hayfever season upon us it will be important that students are using strategies to help minimise the spread of germs. Your assistance in helping to keep the students at BCS healthy is greatly appreciated.

Remember that students are encouraged to bring in a piece of fruit for Crunch and Sip. Students are also encouraged to bring in a water bottle.

If your child has changed how they go home in the afternoon can you please let myself and the office know.

If you need to get in contact with myself please send me a message on class dojo or leave a message at the office.
