5/6 Class News

Welcome back to another year of learning. It is a privilege to join what is a dynamic & innovative school with fantastic staff, students & community members. It was fantastic meeting most of the staff, and a few community members on Friday & I am looking forward to getting to know the 5/6 cohort & setting up our routines for the year. I come to Barellan Central School after several years at Narrandera Public School & I am excited to continue my learning journey here. I operate with an open door policy & over the coming weeks would love the opportunity to meet each of you & discuss the learning goals your son or daughter has for the term.

By the end this week I will send out a class newsletter outlining our class expectations, routines & timetables, ensuring all are prepared for the term of learning.

The BCS Twilight Swimming Carnival was on last Thursday evening. This was a fantastic event and it was great to meet some of you during the evening. I really enjoyed the friendly banter that comes with a swimming carnival and it was great to see most from our class get in and have a go.

BCS is a HOW2Learn school of which I am a facilitator. Understanding how students learn is paramount in every educational setting. Having this as a focus at BSC ensures we are keeping the main thing the main thing.... the main thing at BCS is 'student learning'. This then allows me to focus on what will have the most educational gains for each student.

I operate my classroom through the lens of, are the students happy, safe & learning. They all work hand in hand & are imperative to a productive learning environment. If at any time you sense one of these is not happening effectively feel free to ring the school & organise a meeting with me.

I anticipate a productive year of learning & look forward to

This Week

Settling In	5/6 students and myself will spend more time this week getting to know each other and settling into school routine.
HOW2Learn	We are discussing growth and fixed mindsets in class. More information will come home shortly.

Home Learning

Home Learning	This week for home learning students are to familiarise themselves with Google Classroom. In Google Classroom they are to upload a post letting the class and I know 5 things they did during the holidays. Mr Campbell
