## Principal's Report

### Old Industrial Arts Demountable

Now that we have our lovely, state of the art Trade Skills Centre, the NSW Department of Education will be removing our old demountable to place in another school. This will involve lopping of some big branches of some trees along the Boree Street fence to facilitate truck and crane access.

At the P&C meeting in March we will discuss some possible uses for this space in the future.

### The Importance of Literacy

Literacy is the ability to read, view, write, design, speak and listen in a way that allows us to communicate effectively and to make sense of the world. Literacy is vital to ensuring your child has the best chance to succeed in their schooling and everyday life.

Literacy allows us to make sense of a range of written, visual and spoken texts including books, newspapers, magazines, timetables, DVDs, television and radio programs, signs, maps, conversations and instructions.

#### *Ways to support your child's literacy development*

There are many everyday things you can do to encourage literacy learning. These include:

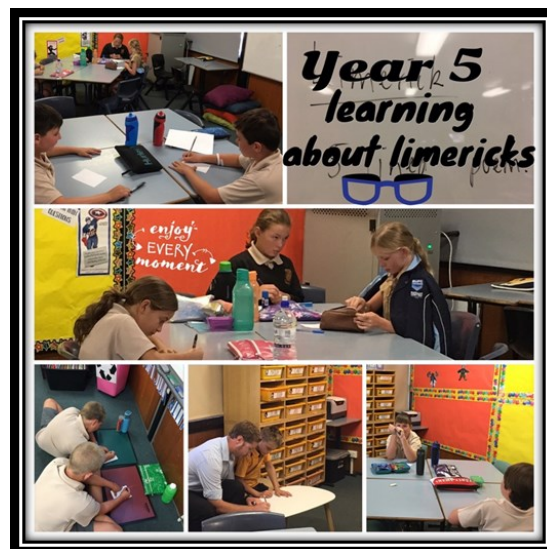

- encouraging your child to read and view a variety of texts such as newspapers, novels, magazines, websites, email, timetables, instructions and recipes
- encouraging your child to write and design for a variety of purposes using print and electronic resources — invitations, thank you notes, shopping lists, messages
- encouraging your child to speak and listen for a variety of purposes — sharing a joke, giving instructions or asking for information

### STEM Fun

Year 9 and 10 will head to Wagga this week to participate in a STEM excursion. This is a great opportunity to see a range of workshops and gain skills and experience in Science, Technology, Engineering and Maths.

### Special Guest Class of the Week

Year 5 were learning how to write a limerick today while Year 6 were working in the Trade Centre.

### 10 WAYS TO BE A GREAT STUDENT

- 1 Come to school every day.
- 2 Have your supplies ready.
- 3 Keep your materials organized.
- 4 Pay attention in class.
- 5 Complete assignments on time.
- 6 Follow directions.
- 7 Ask for help when you need it.
- 8 Participate in class activities.
- 9 Follow all school rules.
- 10 Always do your best.

*Have a wonderful week full of learning.*

### Week 6 Sport Report ....

What a huge week it was on the sporting front last week. On Tuesday, we hosted a very successful Secondary Zone Swimming Carnival where BCS finished a close second to Coolamon Central. Everyone swam well and a number of swimmers have now qualified to attend the Riverina Carnival this Friday, March 3. Permission notes went out last Friday and need to be back by Wednesday.

Lillian Geltch awarded joint Senior Girls Champion  
Paige Kenny awarded runner-up Junior Girls Champion  
Brad Geltch awarded runner-up Senior Boys Champion  
A massive thank you to Vicki Tubb for her administration and recording work on the day, our P&C for the wonderful food and BBQ, Mr Waide, the Barellan Pool operators and the staff, parents and students who assisted with officiating.

Students who have qualified for Leeton are Will Ellis, Dylan Phillips, Lillian Geltch, Abbey Neville, Bradley Geltch, Lachlan Davies, Melissa Noakes, Jane Haeusler, Blake Stevenson, Norm Haeusler, Annabelle Geltch, Sharni Winter & Paige Kenny. Our Junior boys and girls freestyle relays are also able to compete, some of the other teams didn't make qualifying times. Good luck to all those attending on Friday. Last Thursday saw Ardlethan hosting the Primary Zone Swimming Carnival. Again, a number of our students have qualified for the Riverina Carnival being held in Albury on March the 13th and I should have notes out this week. Everyone swam very well with our best result being Jonathon Davies winning the 11 years Boys Champion and the Senior Primary Girls winning their freestyle relay. I hope to have a full report in the next newsletter when final results are sent to me.

Another huge thank you to the parents who assisted with transport and cheering and Mr Campbell who was the marshal for the boys events.

### Secondary Boys RAP Cricket

The first games in this knockout are being played this Wednesday in Narrandera. Good luck to Kokulan Kandeean who is representing BCS in the team

### School Photo Day 2017

School photos are being taken on Thursday, March 30th. Students received their order forms with today's Gazette. Forms must be completed and return to the front office (if you are **NOT** paying online) before photo day. Online payments do not need to be returned to school.

Our school's online order code is: **4WG BBN X81**.

This information is on the envelopes.

Sibling forms can be collected from the front office.

## WANTED!

Our Junior STEM classes (Years 4,5,6) will soon be designing, building and launching bottle rockets. We would greatly appreciate any empty 1.25L and 2L plastic soft drink bottles for these projects. Bottles can be dropped off at the box located outside the front office

# PRIMARY POST – 5/6 CLASS NEWS

It seems like only yesterday the school year was about to start and all, myself included were excited, but nervous about returning to school. Now the honeymoon period is well and truly over and all have settled in nicely. It has been a pleasure getting to know, work alongside, teach and better understand how all in our class learn best.

Last Thursday a large contingent from our class went to Ardlethan to compete in the Zone Swimming Carnival. All should be congratulated on their effort and behaviour choices throughout the day, they were superb. A highlight for me was the Senior Girls Relay team consisting of Ella, Allie, Olivia & Lillian. As I was wishing the girls good luck, I could see them looking at the other relay teams and assessing how they felt they would go. If they had written themselves off pre-race, from the moment they jumped in they swam superbly and were able to hold off some stiff competition. The excitement on their faces when they had won was a delight to see, well done ladies.

Today, all students in 5/6 (as well as each primary sector class) had a note sent home requesting a PLP meeting with you. This meeting provides a platform for us to work together, with your child, to develop personalised learning plans. The discussions central focus is student learning and the wellbeing needs of your child. Over the coming days return your preferred time slot slip to me and I will send home a confirmation meeting time. I am looking forward to meeting with you all next Monday. Building on our schools strong home-school relationship will ensure we keep our focus on the 'main game' of school – learning.

This Thursday, I, along with Ruby, Ella, Olivia and Nace will be heading to Sydney to engage in the 'Young Leaders' Conference. It is sure to be an exciting time with lots of great learning taking place. In the coming weeks I will get each of them to report on this wonderful experience for you.

All in all, 5/6 have been busy exploring, engaging and engrossing themselves in the classroom learning and this has meant time has flown by. I hope the conversation around the nightly dinner table has been interesting due to that learning taken place in the classroom. There is still plenty more learning to be had so stay tuned and we will keep you posted.

## Australian Schools Competitions 2017

The Australian Schools Competitions run by the University of New South Wales will be on again this year. Competitions are held in schools throughout Australia and the Pacific. All students from Years 2 to 12 are encouraged to participate.

Participating in the competitions is good practice for the students in undertaking external examinations (e.g. Naplan and HSC). All students receive a certificate of participation or for those students who perform well, certificates of merit or even distinction.

Entry fees (subsidised by the school) are \$5.00 for each student for each competition, except for the writing competition which costs \$12 and the primary spelling competition which costs \$7.00 (these last two are hand marked by specialists in their fields which is why they cost extra). The entry form is included in this week's Gazette and is due back with the payment to the school office by **Friday March 10**.

Dates for competitions will be included in the school calendar as they become closer.
