### Education Week

Education Week is a state-wide, annual event to celebrate public education in NSW. This year it will be held from 31 July to 4 August.

The week highlights the achievements of public education and local schools, putting the spotlight on our

students, our educators and the communities that support them.

This year's theme is **I Learn, We Learn**. It is a celebration of our schools' commitment to ensuring:

*System-wide improvement - Every student, every teacher, every leader and every school will improve every year.*

*High expectations for all - A culture of high expectations for our students and our educators sets high standards, which leads to high achievement.*

*Personalised student learning - By teaching to the strengths and needs of each individual, students will be better able to reach and exceed their potential.*

*Wellbeing - Every student will be known, cared for and respected.*

*Creating stronger ties with local communities - Parents and carers are our schools' partners in the education and wellbeing of each student. Partnerships with local businesses and industry create opportunities for our students to contribute to and thrive in society.*

BCS will be participating in several events during Education Week, 2017 including: Primary Debating, KROP, Professional Learning and our RAP combined trade skills learning day.

A special Education Week assembly has been scheduled for week 4 (due to the large range of events in week 3!). Save the date – **Thursday 10<sup>th</sup> August, 12noon**. Join us for a celebration of learning and lunch afterwards.

### 2017 Premier's Spelling Bees

All students in Year 2 to Year 6 will participate in the Barelle Central School Spelling Bee on Wednesday, August 16, Term 3. Please take the time to assist your child in becoming familiar with the words on their list. Make dinnertime-spelling time; involve all members of the family in the fun of learning these words.

Work on 5-10 words each week and if you start now you will easily have a good knowledge of each word by week 5. Use some of the tried and true strategies for learning words:

- look cover write check
- break into syllables
- look for little words in big words
- look for spelling patterns
- spell out loud and take a step for each word spelt correctly

# Year 2 / 3 News.....

2/3 have had a wonderful, productive first week back for Term 3. We had some shy and friendly visitors pop in to our classroom on Wednesday to say hello, thanks to Bailey Irvin. Bailey introduced us to his three pet hermit crabs and taught us lots of informative news about their habitat, behaviour, feeding and some interesting facts. We learned that;

- Hermit crabs "migrate" from one shell to another as it grows (each new shell is bigger than the previous one).

- Hermit crabs are nocturnal creatures.

- Hermit crabs are omnivores. Its diet is based on fruit, vegetables, meat, leaves and bark. And

- Hermit crabs often exchange and occasionally fight with other hermit crabs to conquer better shells.

We are looking forward to a very busy term of learning and fun with the Barellan Show, Glitter Ball and Variety Night fast approaching.
