### Term 3 Student Reward Excursion

Congratulations to the 24 students who were selected from the many *Golden Tickets* earned over the last two weeks. These students will be heading to the Griffith City Cinemas this Thursday to see the *Emoji* movie. Students must return the permission note by Tuesday to indicate they are attending. If students are unable to attend, then please advise the office ASAP so another student may attend.

Next term's reward excursion will be advertised soon – keep earning *Golden Tickets* to make sure you're in the draw!

### Variety Night

Only two sleeps until our students showcase their talents at our Variety Night! This week will be crazy busy with last minute rehearsals and costume adjustments!

### Year 12 Farewell Assembly

Friday will be the last official school day for our Year 12 students, Emma, Kenna and Meghan. Come along at mid-day on Friday to our farewell assembly and wish them well for the next exciting chapter of their lives.

### Holidays

Wishing everyone an enjoyable school holiday break. Term 4 starts for students and teachers on Monday 9<sup>th</sup> October.

### Important Information for Parents re Variety Night

Variety Night, *Music Through the Decades*, is on Wednesday 20th September 2017. Students have been busy rehearsing for what will be a very enjoyable evening of entertainment. Every student is involved in our extravaganza in some way; whether they are performing, compering, working back stage crew or as support or camera crew. The following information is very important.

- Notes have been sent home regarding your child's costume/s from the various teachers in-charge of items. If you are unsure of your child's costume, please contact your class teacher. Please label all items that come to school.
- A full dress rehearsal will be on Wednesday during the day. Please send your child's/children's costume on or before this day. Label all clothes including the bag that the costume/s come in.
- **K/I are asked to come to school in the clothes they need for their Variety Night performance. They also need to bring their school clothes with them to change into after rehearsal.**
- Entry fee for all audience members is by a gold coin donation. Children under 5 are free.
- The school will also be running a raffle to buy musical equipment for future performances.
- All students are required to be at the Barellan & District War Memorial Club at 6:00pm for a 6:30 start. Years 2/3 are required at the club at 5:30pm.
- Please pack snacks to eat as it will be a long night for the students and they will get hungry. Pack only food that is suitable to be eaten at school, especially not sugary food. There will be no access to the vending machines at the club.
- When students are not performing they will be supervised at the club. It is suggested students take books, games, cards, devices such as iPods (with earplugs), laptops, mobile phones etc. to play while they are waiting to perform. Students will be expected to use all devices appropriately as per normal school usage agreements.
- All students will be in the hall for the finale. However, once the finale is over all students will return to the club. Your child/children will be available to be picked up from the club approximately 10 minutes after the finale. Please ensure your child takes everything they brought to the club home with them.
- Primary students must have their names marked off by their class teacher before they leave the club
- Secondary students must see Mr Clough to have their names marked off.

### Alligator Research by Levi Wise

How many eggs do alligators lay?

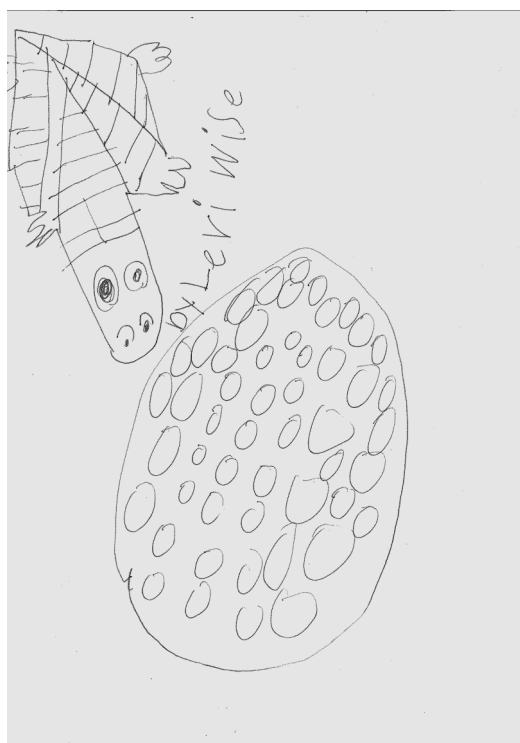

20 to 50 eggs a year.

How long does it take for an alligator's egg to hatch?

65 days the eggs have to be in a warm place.

What are alligator nests like?

The mum carries the babies in her mouth and the mum carries the baby alligators on her back into the water. Baby alligators eat tadpoles, insects and frogs. The mother stays with the babies for a year to make sure the babies are safe. If the nest is cold, the babies will be girls if it is warm the babies will be boys. When the babies are, ready to hatch they make a noise then the mum knows to go and get the dirt and sticks off the eggs so the babies can hatch.

# 4/5 Class News

4/5 have been incredibly busy these past few weeks with the major excursion to Sydney, lots of practice for our Variety Night item, the Book Week Parade and on top of that, some fantastic learning happening in the classroom.

**Having fun on the flying fox**

**Variety Night practice**

What a great way to wrap up Term 3 with Variety Night this Wednesday night. Please ensure your child has their costume ready and if possible, brought to school on Tuesday at the latest.

Have a great week,

*Kim Foley*

### Barellan Museum Committee Notice....

The Barellan Museum Committee are seeking the communities interest, ideas and help with running the museum.

As we are getting older we are finding it much harder to keep up the work for the museum, especially as we are dealing with sickness, doctors' appointments and generally finding enough 'go' to keep things running smoothly.

We would like to hear from anyone who may have some interest in helping with the running of the museum, otherwise the doors may have to close, but we do not want this to happen. Some new blood and ideas is badly needed to keep the public interested, and to make the place more interesting.

Trusting there are some people out there who would be interested in some way. It is really a very interesting job once you get into it, and there are a lot of interesting things to do and learn.

Looking forward to some feedback from the community

Sincerely

The Barellan Museum Committee
