# Measuring Parent Engagement Trial

Barellan Central School is taking part in a trial and we need you to be involved!

The Measuring Parent Engagement trial will help us understand how families and schools can best work together to support learning outcomes for our children.

We are looking for parents to take part in a quick online survey (around 10 mins) so that we can help develop a measurement tool for schools to use to gauge the level of parent engagement in their school.

The survey will be open 5–29 March 2018 <http://survey.qa/FAZf1j>

Have your say! It's voluntary, confidential, quick and easy, comes in various formats (online, mobile devices) and can be completed at a time that's convenient to you.

How do you think  
**SCHOOLS and PARENTS**  
can work together  
to boost your child's  
learning?

**Have your say about your school!**

<http://survey.qa/FAZf1j>

- Voluntary and confidential
- 5 March to 29 March
- Only takes 10-15 minutes
- Online, mobile and tablet friendly

Research shows that students achieve better outcomes from their education when schools and families work together. Your views are valuable and will help your school improve on this important partnership.

The Measuring Parent Engagement Trial is part of the Parent Engagement Project funded by the Australian Research Alliance for Children and Youth (ARACY) and the Australian Council for Educational Research (ACER) on behalf of the Australian Government Department of Education and Training.

On Friday, students at BCS participated in the National "Bullying No Way!" Day of Action. Students all committed to fight bullying using the Speak Up, Reach Out, Be a Friend pledge, and signing the Bullying No Way Wall. It is important that students report bullying that they experience or witness to their classroom teacher or the teacher on playground duty.

Your donation supports 1,800 children who attend Stewart  
House each year from Public schools across NSW and ACT.

During their stay, children are provided with optometric,  
dental and medical treatment as well as emotional support.  
This is balanced with health and educational programs and  
out of school activities to boost their self-esteem and to pro-  
mote a healthier lifestyle.

Children in the care of Stewart House attend a specific pur-  
pose school onsite for 8 days of their 12-day stay. The NSW  
Department of Education provides infrastructure and staffing  
support for this school. All other costs associated with the

# K/1/2 Class News

## Home Learning

Students are encouraged to read every night as part of their home learning. Please ensure your child's reading log is being filled in each time they read. When students have finished with their readers they are able to bring them back to school and change them for new ones. Please let me know if your child is not bringing books home regularly.

Students are also expected to complete their spelling words each week. Students words are aligned with sounds explicitly focused on in class, in addition to sight words that are commonly seen in books. This assists students in developing their reading skills and spelling abilities. Please ensure your child is completing their home learning spelling tasks and handing them in every **MONDAY**.

## Sport

Last week was our final week of swimming for sport. We had lots of fun participating in all our games and activities while cooling off in the pool over the last few weeks.

## Special visitor

K/1/2 were very lucky to have Mrs Farrell visiting us last week to do some learning with us. As part of this Mrs Farrell read 'Sebastian lives in a hat' by Thelma Catterwell. After reading our book we wrote about Sebastian the wombat.

## Maths

In maths we are currently learning about area. We have been exploring concepts such as bigger, shorter/smaller, closer and further, as well as finding the area of some shapes and objects.

## Science

Over the last few weeks we have been exploring worms in our science lessons. We had lots of fun making worm farms and exploring our worms in detail, finding out about their features,

as well as how they move, feed and protect themselves in their habitat.

## PD/Health

Over the last few weeks in PD/Health we have been focusing on what qualities good friends have. As part of this we made thank you cards for a special friend

to thank them for all the kinds things they do. We also shared what we believe is most important to be a good friend.

## March Charge Challenge

I am participating in the 2018 Cancer Council March Charge Challenge to help raise some much needed funds to assist this organisation to help prevent cancer, research and provide best treatment to patients and provide support to cancer patients and their loves ones. So please support me by making a donation to help achieve a cancer free future. Donations can be made at

## RIVERINA SWIMMING

Congratulations to the primary and secondary swimmers who competed at the Riverina level in their respective swimming carnivals. The primary carnival was held in Albury this week and the secondary carnival was held last week in Leeton. We had a massive secondary team consisting of 11 students, our biggest team for many years. We are very proud of the effort and your positive attitude displayed at this carnival and Mr Hesketh was singing everyone's praises after the carnival. We had a successful Central Schools Relay team that finished in 2<sup>nd</sup> place and will now participate at the CHS Swimming carnival in Sydney at the end of term. Congratulations to Brad Geltch, Lilly Geltch, Norm Haeusler and Lisa Ohlsen and best of luck for Sydney.

The primary team had 5 individual swimmers and a senior boys relay team. Everyone swam to a very high and competitive level and again mention was made about the whole Coolamon/Ardlethan teams behaviour and attitude on the day. We didn't have any swimmers make it to the next level, but the competition was very stiff and we are extremely proud of your performances.

Cheers, Mrs Conlan

## 5/6 Poetry Out Loud Homework

Using a clear voice.

Please help your child continue to develop these skills while rehearsing their poem.

Thank you Mrs Kenny

# RAP OPEN BOYS BASKETBALL

On Wednesday 14th March RAP participated in the first three rounds of the Open Boys Basketball CHS Knockout in Leeton. Our first game was a Bye and therefore our second round game was against Leeton. Our boys got off to a fantastic start and there were only 2 points in it at quarter time and half time. The umpires and other coaches at this point commented on how well our boys were going. In the third quarter, Leeton came out determined to tighten up their defence and pressure our boys into mistakes. They quickly got 8 points on us and continued to get further away as the game progressed. Unfortunately, Tom landed heavily on his elbow in the third quarter and things started to get away from us. In the end, RAP went down 24-56. All the boys should be very proud of their efforts. Our scorers were Jack (14), Charlie (6), Tait (2) and Tom (2). Our second game against Yanco once again saw us get off to a great start and being close to Yanco going into the final quarter. With Tom remaining on the bench, we had to rotate players on the baseline defence. In attack most contributed to the score and all had several shots at the basket. Jack once again was our top scorer with 18 points. Unfortunately we lost 40-29. Miss Denham would like to thank Mr McCormack and Mr Snaith for all their help on the day with scoring and looking after Tom. I really appreciated it. Our team members were Jack McCormack (APCS), Simran Singh (HCS), Tait Snaith (BCS), Tom Frost (APCS), Connor Thurston-Jackson (OCS), Charlie McCor-

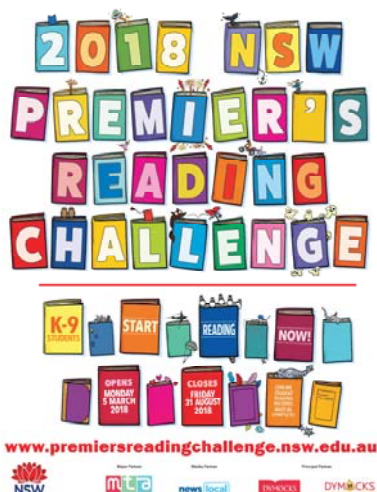

## PSSA AFL Northern Riverina Trials 2018

On Friday the 16th of March, Arian Park was host to the PSSA AFL Northern Riverina Trials for 2018. The Coolamon-Ardlethan zone team consisted of Thomas Writer, Will Fairman, Angus Pursehouse, Jack Golder, James Fysh, Tristan Hare-Niki, Kaitlin Logan, Nate Hamblin, Brock Strickland, Max Collis, Seth Morris, Jack Black, Baxter Smith, David Beard, Brodie Rudder, Sam Booth, Braith Gain, Luke Dennis, Jarvis Pritchett and Riley Curran. The students from our zone were then joined with students from the Cootamundra zone to create two teams. All students represented themselves and their schools with pride. They should be proud of their effort on what was a warm day and a big ask to play continuously this early in the preseason. Students who were selected in the Northern Riverina Side will play in Coolamon this Thursday the 22nd of March. Parent or caregivers should have received an information sheet and permission note on Friday afternoon. It is essential that all parents please ensure these notes are in as early as possible this week. Congratulations to the following students from our zone who were selected in the side:

Thomas Writer- APCS, Will Fairman- APCS, Angus Pursehouse- APCS, James Fysh-GPS, Tristan Hare-Niki-GPS, Kaitlin Logan-GPS, Nate Hamblin-GPS, Brock Strickland-ACS, Max Collis- ACS, Baxter Smith-MPS, David Beard-MPS, Brodie Rudder-MPS, Braith Gain-CCS, Luke Dennis-CCS, Jarvis Pritchett- CCS and Riley Curran-BCS. ## How exciting PCR 2018 is underway.

This year Mrs Kenny and Mrs Bandy are the coordinators and we are giving the students especially in Years 3-6 the responsibility to record their reading on line. Mrs Kenny will show all students how this is done in Library time. We ask parents to let their child show them the PRC site and help with listing books after they have been read. AR, Library and books read from home ALL COUNT.
