PRINCIPAL'S REPORT

Farewell

As I write my final Principal's Report for the BCS gazette, I am reminded of so many wonderful times at this fantastic school.

Our students, your children, my children, are lucky to attend Barellan Central School. This is a school filled with dedicated staff in a caring community. There are copious opportunities for students to follow whatever path they desire, to take part in many extra-curricular activities and be the best that they can be every day. The resources our students have access to here at BCS is nothing short of amazing for a small, rural school. Each of our classrooms is set up for learning in the 21st Century with Smart-boards, laptops, iPads; we have access to video conference technology; we have a state-of-the-art Trade Training Centre – and above all of that is a staff who have the skill and expertise to use all of this equipment and teach our children to as well.

It has been wonderful to witness and be part of so many of our children grow up into wonderful young men and women, now out in the workforce or taking on further study and making a good life for themselves.

I thank all of you for your support over the eight years I have been here, and I look forward to hearing of the great things that are still to come from Barellan!

Easter Celebrations

Thank you to the 5/6 class and Mrs Farrell for their wonderful running of the Easter assembly last Thursday. It was wonderful to see students receiving awards, however the highlight for me was seeing the 5/6 students recite and act out their poetry. It was a delight to have Max Jamieson come in and also recite his recently written poem – much to the entertainment of the students and parents in attendance! Thank you Mrs Kenny for organising that treat for us all.

SRC Movie Night

Next Tuesday 10th April, the SRC will hold their Term 1 Movie Night. All students are invited to come along and share in the fun of a movie and snacks. Supervision will begin from 6pm. Snacks and drinks will be available for purchase. Further details in next week's Gazette.

Year 12 Mid Course Examinations

Year 12 begin their mid course examinations in Week 2 next term – now is the time to seek clarification from teachers and maximise your learning time at school and at home.

Tips for studying for exams

#1 **Chunk - Don't cram!**

We relearn info every time we revisit it. Group your class notes into sections to avoid overload.

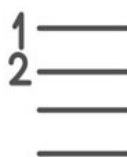

#2 **Start early**

Start studying several days before the exam. Cramming the night before will only increase your stress.

Stay positive #3

It is within you to do well if you work hard and put in the effort. You can do it!

#4 **Set priorities**

Spend the most time on what is most important for the exam. If you don't know what's most important, ask your teacher!

#5 **Make study sheets or cue cards**

Try to summarize main ideas in a few points - use sheets, cue cards or highlighted notes to draw your attention to the key words or ideas.

#6 **Go to the review class, find out about the exam**

Attend all your classes, including the review class - pay attention and take as many notes as you can. Ask questions if you have them! Be sure to know what materials and supplies you can bring and use during the exam.

#7 **Minimize distractions!**

Yes, you want to check your texts and Snapchat ... but the more time you do that, the less time you'll have to study. If you use your device to study, focus on that only. Close other apps/programs and set time aside for studying.

#8 **Get help**

Ask your teacher to explain any material that you don't understand. Classmates can also help! Don't be afraid to ask for help if you need it.
