PRINCIPAL'S REPORT

Dear Parents/Carers,

I hope you have had an enjoyable fortnight. We have enjoyed another wonderful couple of weeks at Barellan Central School with plenty of students succeeding with academic achievement and social development.

Social / Disco & Glitter Ball

What a great night we all had at the Social Disco last week. Students and staff enjoyed this social event with a BBQ dinner, some dancing, good music and of course plenty of laughter shared by all. Kindergarten, Year One and Year Two enjoyed their Glitter Ball earlier that day. Social events are a great opportunity for the students to socialise and connect with peers away from the routine of school. I would like to personally thank the staff and students for their dedication and efforts in planning such a wonderful event for all to enjoy.

Book Fair

'Reading stimulates children's imagination and expands their understanding of the world'. A huge thank you Rebecca Malone for the preparation and organisation in making the 'Book Fair' a success over the past two weeks. I also thank parents/carers for encouraging your children to have a look at the displays in the library and supporting them with their purchases. It was great seeing so many students wanting to go and check it out. Well done.

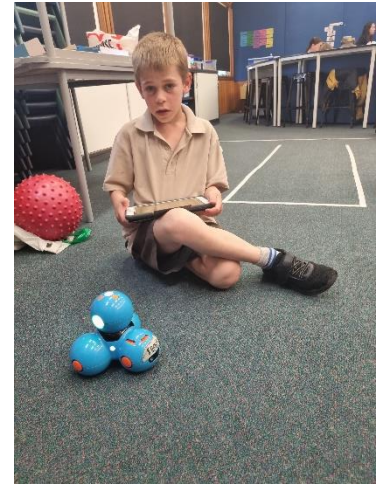

PBL Assembly

It was great to see so many students recognised for their achievement at the PBL Assembly this week. Plenty of awards were handed out to students who have demonstrated achievement and growth with their learning. We are so proud of all students who are working hard with their teachers and support staff at achieving learning outcomes. At Barellan Central School we support all students in their learning, catering for individual needs. The students are very settled at school and I would like to personally thank our staff and parent community for their ongoing support.

Technology Day

On Wednesday this week, primary classes participated in an Information Technology Day. Students were organised into mixed class groups, experiencing a range of different technology and coding skills. Each member of the Primary staff delivered engaging activities using Inventor and Tablet robotics such as interactive Lego, Dash Bots, Blue Bots, Microbit and Makey Makey. Student feedback was very positive, and their participation was exceptional, especially the leadership from the older students assisting their younger peers. A huge thank you to Mrs Flagg and the primary staff for organising and supporting this great day.

Staffing

Staffing plans are well underway for the New Year. As we continue to work with the Department in filling vacancies, I offer my congratulations to Jack McDougall on his appointment to the Primary Teacher position. Jack will commence his new role in 2023 and we look forward to welcoming him.

Uniform Focus

Students are looking fantastic in their full school uniform. Thank you for your support in positively encouraging students to wear full school uniform as it promotes a sense of belonging for all students. We have seen a noticeable positive difference this past week. Just a reminder to all students that the school hat is part of the uniform. Please ensure you're wearing the correct hat when outside. Keep up the great work.

As always a big thank you to all the dedicated staff, students and families for the wonderful partnership in ensuring quality learning and relationships are occurring at Barellan Central School.

Best wishes to you and your families.

Mr Christopher Grasso
Relieving Principal

Proud & Deadly Award Recipients

Monday 21st November

Junee Excursion (K-4)

Wednesday 23rd – Friday 25th November

Dubbo Excursion (Year 5/6)

SCHOOL NEWS

MATHS INVESTIGATION WITH 4/5/6

4/5/6 have been working hard this term to take a recipe that originally made enough pikelet's for 8 people and use their maths investigation skills to transform it into a recipe that catered for all staff and students at Barellan Central School. This including multiplying the ingredients, converting units of measurement, using online catalogues to find the cheapest prices, and dividing to equally share all roles. All students had a great time putting their learning to the test on our Pikelet Day. Everyone agrees 4/5/6's pikelets were nothing short of delicious.

PBL AWARDS

Primary

Excellence	Respect	Responsibility	Resilience
Charlotte Dicker	Otis Whitney -Taylor	Eddy Malone	Jack Malone
Aden Puppa	Jack Malone	Jake Irons	Shane Ryan

Skye Spicer	Erica Messom	Lily Curran	Lilly Trudgett
Naomi Praestiin	Darcie Geltch	Koby Irvin	David Millis
	Archie Trudgett		Ella Sanderson
			Dakota Smith

FOOD TECH NEWS

Every fortnight the Food Tech girls cook a variety of vegetarian and non-vegetarian food.

Isabel created a delicious and tasty dish by cooking stuffed capsicum.

Emily's chosen dish was granola and yogurt, which exemplifies the need to incorporate calcium in a healthy breakfast dish for teenagers.

ART INSTALLATIONS

Darcie has created hoops covered in different coloured transparent cellophane, which she has drawn with sharp lines and jagged edges.

These hoops have been hung on trees on the northwest corner of the school.

This art installation is literally *overhanging fruits of her labour this term.*

Glitter Ball

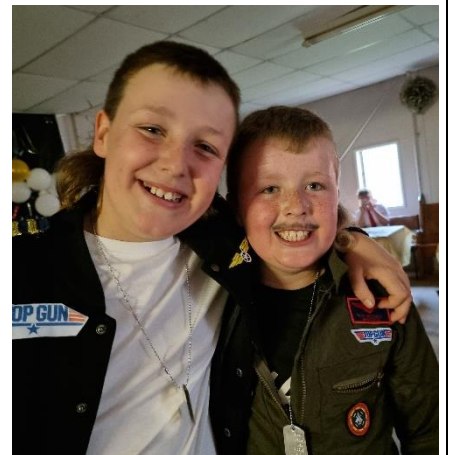

To finish off our kinder transition, we held our Annual glitter ball! A disco just for preschool- year 2, where the year 2s run the activities. It took a bit of planning but the end result was awesome.

A great glittery banner, a bopping game of musical bops, feed the cake to the hippo (a Blake Lemke request), pass the parcel and even a pinata! The excitement and fun never stopped, and despite the rain outside, it was a great time inside.

Sending kids home with lollies in their pockets the day after Halloween is always the right choice.

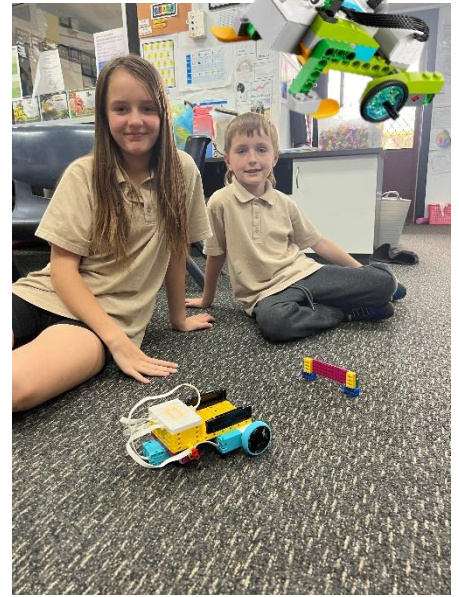

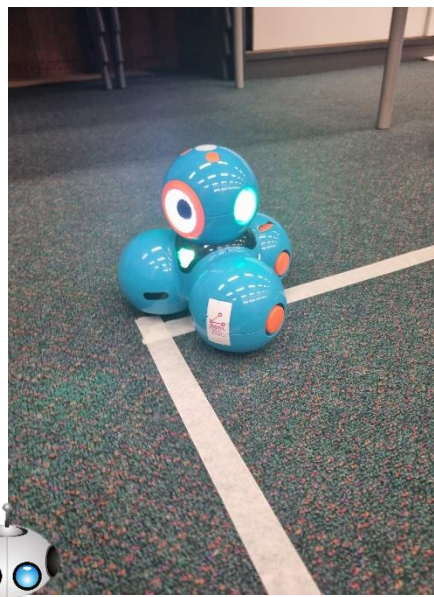

SRC SOCIAL

TECH DAY

BCS primary were lucky enough to be able to trial the Stem T4L kits. These kits encouraged students to learn coding and programming skills, while having fun at the same time. From building Lego and directing a robot, the students enjoyed their Tech day.

BCS Canteen - Term 4 - 2022

Effective 31/10/22

HOT LUNCHES
