## PRINCIPAL'S REPORT

### Thank you

Like many of you, I have recently finally had my experience of contracting COVID. I'd like to thank Caryn Jones for relieving in my absence. I'm also grateful that I was fully vaccinated and had a booster and thank health workers for the tremendous work they continue to do.

I'd also like to commend Bec Marquardt for coordinating the Athletics Carnival last week. By all accounts it was a wonderful day. We are so lucky to have such dedicated and caring staff at the school who work diligently to support all students.

### Staffing news

I'm pleased to share with you that Kym Stein has been successful in the merit selection process as our new Head Teacher Secondary Studies. Kym brings a wealth of experience teaching Mathematics and Geography and has a passion for country schools. She spent the first week of term with us and made a wonderful impression on staff and students alike. Kym will be formally commencing in week 9 this term. In the meantime, Caryn Jones will be juggling hats as both Head Teacher Secondary Studies and Head Teacher Learning and Wellbeing.

### Join the team

We are currently seeking new staff for two positions, a Learning and Support Teacher and a School Learning and Support Officer.

If you are interested in knowing more about either position, please contact me at school.

### Work around school

The work on the new playground will commence on Friday 23 May and we anticipate the works will take approximately 2-3 weeks. We can't wait to get the new playground in, based around the idea of a Ninja course.

## Hands on Learning

I'm really excited to see that today we have kicked off our new cohort of Hands on Learning. The students were busily kitting out their new HoL room and I can't wait to see the students developing their personal plans and visions, and then working to make them a reality. Congratulations to all our new HoL students on the courage to step up to something new, and thank you once again to Allison Prentice and Caryn Jones for your dedication to the students running these initiatives.

Have a lovely week,

Paul Laing  
Principal

## EMPLOYMENT OPPORTUNITY

An opportunity exists to join the teaching team at Barellan Central School as a **Learning and Support Teacher**.

# Athletics Carnival 2022

This year we all rugged up for our Annual Athletics carnival which was held at the Barellan Sportsground on 6<sup>th</sup> May.

It was lovely to see students don on their house colours and get involved by participating and cheering on fellow team mates

The day started off with the 800m run to warm everyone up, then the field and track events continued throughout the day, ending with the 4x 100m relay, which saw the addition of a Staff team this year. Rumour has it they are off to Zone, but will need to improve baton change over and include more salt in their diet. 😊

We saw a lot of parents who came for the day, to cheer on our students, with some mothers participating in our Mother's Day activities. Thank you for your continued support of our students.

A big thank you to all involved in making this day run smoothly.

Our Age Champions are yet to be announced, but will be posted on our Facebook page soon. Zone will be held in Week 6, which will be held at the Barellan Sportsground. Check out our website calendar for dates.
