## **Principal's Report**

Welcome back after the winter holidays. I hope you've all had a great start to the term. We've certainly had some chilly mornings. Thursday morning, we had a thick layer of frost on the playground, so much so that students could gather it up and make snow balls. Especially with the cold mornings, please make sure you children have warm clothes when they head off to school. We always check on students and lend them a jumper if they need it, but it's much easier if they come well prepared for the weather.

## **Parent/Teacher Interviews**

We look forward to seeing you on parent/teacher evening next week, from 3:30-6:00PM. All interviews are scheduled for 10-minute blocks, and you can arrange for an interview in person at the school, or via telephone.

If you would like a longer interview, please contact the school to make a separate interview at another time.

Bookings will be made online via the website: <http://www.schoolinterviews.com.au/code/g9cca>, code g9cca

If you would like assistance making an appointment, please contact the office staff who will be able to talk you through making the bookings or make the bookings on your behalf.

## **Education Week**

Education week will be celebrated in Week 3, from 31 July – 4 August. This year marks 175 years of public education in NSW,

with the theme of learning from our past, celebrating our achievements and embracing the future with confidence.

We are excited to share that we will be hosting the Executive Director for Inclusion and Wellbeing, Laura Milkins, along with our Director of Educational Leadership Karen Burke, who will be visiting our captains Anika Praestiin, Isabel Harris, Ellie Haddrill and Billy Irons on Monday 31 July.

We will be holding our Education Week assembly on Thursday 3 August after lunch, and ending the day with an afternoon tea. We look forward to seeing you there!

## **Staffing update**

We are in middle of the process recruiting a permanent Head Teacher Secondary Studies and I will update you on the outcome once the process has been finalised.

We have advertised a temporary Head Teacher PDHPE position at the school. If you know any PDHPE teachers who would be interested, please pass on our details so they can contact me to discuss the position.

### **Year 7/8 Art**

Year 7/8 have completed their latest project, that fuses street art with elements of Indigenous culture.

Throughout the semester Year 7/8 have explored the realm of street art specifically the Silo Art around the Riverina Area, and the rich heritage of the land and acknowledge the artistic brilliance of Aboriginal and Torres Strait Islander artists.

Drawing inspiration, from what they have learnt, each student transformed their skateboards into works of art using natural images that were personally significant to them.

## 4/5/6 Creative Art Project

4/5/6 have worked hard at the end of term 2 and the beginning term 3 in order to finish their creative arts project. With the final touches now being done, we are excited to almost have our vision come to life.

There are many thank you's we would like to say, including the staff at school for their ongoing support with the project, particularly to Mr Reid, Mrs Prentice, Mr Hesketh, Ms Smith, Mr Laing, Ms Woodland, Mrs Flagg, Mrs Tubb, Mrs Malone, Mrs Bandy and Mr Thompson.

We would also like to thank Carol Evans for her ongoing support and guidance throughout the project. Amanda McCloy for our incredible goanna statue that will feature in our garden, affectionately known as Garry the goanna. The Irons family for their donation of the poles, Mr Reid for his donation of equipment and flowers, Mrs Prentice for her donation of equipment, Kristen Manley and Bobbie Freeman for their donation of the rocks, the Spowart family for their donation of flowers and Mr Overall for his after-hours delivery runs.

Lastly, we would also like to thank all the 4/5/6 families for their ongoing support with arranging extra clothes on the days we get extra dirty and for helping to organise all the photos for our time capsule. Our dreams could not have become a reality without all of your support.

We will be putting out a survey shortly to the families of the 4/5/6 students to arrange a best time to do the unveiling of our garden. This will be found on class dojo.

We look forward to sharing our hard work with you all and extend the welcome of the unveiling to all students and community members. Dates and times will be announced in our next gazette.

## Merchandise Order Form

Dear Parents,

Life Ed is a not for profit organisation that relies on the support of the community to assist us in reaching our fundraising goals. Every Healthy Harold product purchased helps us visit more children in NSW and ACT.

The sale of Harold merchandise to the children whilst the program is visiting each school supports our overall fundraising activities and helps cover the gap between the cost of delivery and what parents and schools pay for our program. These products help to remind children about the messages delivered to them during their Life Ed session and have either a picture of Harold or the Life Ed logo on them.

The educator will provide the opportunity for children to purchase these products during the school visit. Please **DO NOT** make online payments to your school. Please provide the correct money in an envelope with the item written on the face of the envelope along with your child's name and class. This allows the educator to process orders efficiently and accurately. Orders will be returned by the conclusion of the visit. You can also check out our **NEW** clothing apparel product range online by visiting [www.life-education-australia.myshopify.com/](http://www.life-education-australia.myshopify.com/)
